

Part One

HEALED OF CANCER

Bless the Lord, O my soul, and forget not all His benefits: Who forgives all your iniquities, Who heals all your diseases, Who redeems your life from destruction, Who crowns you with lovingkindness and tender mercies, Who satisfies your mouth with good things so that your youth is renewed like the eagle's.

Psalm 103:2-5

God has done a mighty work in my life.

I bless the Lord with all that is deep within me!

I bless His holy name!

*P*art One of *A Blessed Journey* gives an account of the faith journey that I have begun. It is my testimony of healing of Stage 4 incurable melanoma and God's treatment plan. Unlike so many cancer books you may pick up, this one has hope and faith as its central themes. It brings not only good news, but the best news! And that news is for you as well as for me!

Shortly after my own healing, my husband and I began ministering individually to the sick, and have been honored to witness God's healing in so very many broken bodies. One year after receiving divine healing of cancer, God laid it heavy on my heart to share my story beyond the limits of the spoken Word. So I started to write. This is the story that God gave to me to give to you.
