

INTRODUCTION

I was diagnosed with Stage 4 melanoma in February of 2002. The melanoma, which was initially found via a routine skin exam, had metastasized throughout my lymphatic system. This type of melanoma is considered incurable, and my life expectancy without medical intervention was 6 to 9 months.

At the time of my diagnosis, I didn't have any knowledge of Jesus as my Healer. In fact, I didn't even know Jesus as my Lord and my Savior. I was introduced to the truth through a precious woman of God, Jennifer Hood, and began my journey of healing. Six months after receiving Jesus into my life as my Lord, my Savior, and my Healer, I was declared free from cancer ... without ANY MEDICAL INTERVENTION!

So many people have asked me, "What did you do to receive your healing"? The answer is really quite simple. I learned what God's promises are in His Word in regards to healing. I received His truth into my heart. And I applied everything He showed me through His Word into my life.

In 2006, I published my first book, *A Blessed Journey: Through Terminal Cancer ... Into Divine Healing*. In this book, I share my testimony in detail, and my spiritual journey of healing.

In the years since that book was published, my husband, Kent, and I have been leading a healing Bible study group at Life Christian Church, in Troy, Michigan. We have seen many, many people receive their healing when they are simply presented with God's truth! As our numbers grew, and testimonies poured in, I realized the awesome power in the teaching of God's Word. I realized that I needed to write this Bible Study. I fervently want God's truth to be spread to the multitudes! And there are multitudes in need of healing!

I have written this study with a passionate love for my God and for His people. My prayer is that as you study God's truth about healing as presented in *A Healing Journey*, and apply His truths in your own lives, souls will be saved, bodies will be healed, and lives will be radically changed! May our God be glorified!

In His Love and Abundant Blessings,
