

PART TWO

Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.

Luke 10:19

Part One of *Healed For Life* reveals God's precious gift of grace, which includes healing, and guidance to help you to openly receive His gift.

These are some of the concepts we've explored so far. Be honest as you contemplate your answers to these questions, but rest assured that there are no "wrong" answers. Our loving God meets us right where we are, but He never leaves us there!

- Do you know God personally?
- Are you seeking healing, or are you seeking the Healer?
- Do you have a consistent and rich diet of the Word of God?
- Are you consistently taking God's Medicine?
- Are you magnifying the Word or the world?
- Are you sharing your testimony when opportunities arise?
- Are you acknowledging His work in your life?
- Are you reflecting on what He's already done for you?
- Are you continuously offering God your sacrifice of praise?

Notice that everything God has laid on my heart to share with you thus far centers around God and your personal relationship with Him.

But I'm sorry to say that the god of this world (Satan) is in a war against God's children. Satan hates God. Sickness and disease help him in his war against God by weakening us, by causing us to question God's goodness, by preventing us from glorifying God and building up His kingdom!

Part Two of *Healed for Life* will expose the subtle ways that the enemy attacks. It will reveal your authority over him and teach you how you can exercise that authority in order to maintain your healing!
